PROFESSIONAL SUMMARY

Visual Designer with 10+ years of experience specializing in presentation design, visual storytelling, and multimedia. Experienced in transforming complex technical information and data into clear, engaging visual narratives through presentations, motion, graphics, and digital media. Skilled in PowerPoint, Adobe Creative Suite, and collaborating across teams to deliver polished, brand-consistent creative work.

EXPERIENCE

GRAPHIC DESIGNER | STORMWIND STUDIOS 2017 - PRESENT

Create presentation and multimedia experiences for corporate training and client education in a fast-paced, cross-functional production environment.

- **Designed 200+ presentations**, translating complex information into clear, engaging visual experiences.
- Created custom graphics, icons, animations, and 3D assets to simplify complex technical concepts and enhance learner engagement.
- Collaborate across teams while applying brand standards, typography, layout, and motion to maintain visual consistency.

FREELANCE VISUAL DESIGNER | SCTWVR 2016 - PRESENT

Partner with startups and small businesses to create polished web, presentation, and visual design solutions from concept through delivery.

- Built websites, visual identities, presentations, and marketing collateral for **15+ startups and small businesses**.
- Design websites and landing pages combining visual storytelling, thoughtful user experiences, and conversion-focused design.
- Create investor decks and presentations that turn complex business ideas into clear, persuasive visual narratives.
